

How Jeff Burrow is Booking More Appointments with Freedom360

After using Snappy Kraken for a year on my own, I decided to try Freedom360. Wow, what a difference! My clients interact more and I've begun to receive far more inbound requests for prospect meetings. Freedom360 is doing a great job of getting my name and service offering into the universe of opportunities. Highly recommended!

Jeff Burrow, CFP®, AIF®

Done-For-You Marketing. Proven Results.

Build stronger relationships with clients and book more appointments from prospects without spending all your time trying to be a marketer. Freedom360 is a complete, done-for-you solution.

3.3x your lead gen

3x your website opt-ins

2x your appointment requests

6x your website traffic

These metrics are based on 8 months of data comparing advisors who use Snappy Kraken marketing tools on their own, to advisors in the Freedom360 program.
